

WasteSafe International Conference

Khulna, Bangladesh

Award Declaration

WasteSafe Lifetime Achievement Award 2019

In 2016, the Organizing Committee and the International Advisory Board for the WasteSafe International Conference decided to recognize the credential of an individual who has made outstanding contribution in the advancement of waste management. This recognition will be given through an award, namely, "**WasteSafe Lifetime Achievement Award**", to be presented biennially during the WasteSafe International Conference.

With great pleasure and respect, the organizing committee of WasteSafe International Conference, is hereby announced that the recipient of this year's "**WasteSafe Lifetime Achievement Award 2019**" is **Professor Raffaello Cossu**, Italy. The award will be handed over to him through a simple ceremony during the **WasteSafe 2019's** Conference Dinner & Cultural Show Program to be held on next **23rd Feb. 2019, Saturday (19:30 to 21:30)** at Hotel Castle Salam, Khulna, Bangladesh.

Raffaello Cossu

is the Recipient of

**WasteSafe Lifetime
Achievement Award
2019**

Raffaello Cossu is the Editor-in-Chief of 'Detritus' - multidisciplinary journal for waste resources and residues. He is the founder, past president and currently a member of the Managing Board of IWWG (International Waste Working Group), the main international scientific association in the field of waste management. Prof. Cossu was a full Professor of Solid Waste Management at the University of Padova since 1997 until his retirement in October 2018. He also served as the Dean of Faculty of Environmental and Land Planning Engineering from 2000 to 2013. Before that Prof. Cossu was the Full Professor of Environmental Engineering in the University of Cagliari from 1984 to 1986. However, he started his carrier as a Researcher at the Institute of Sanitary Engineering in the Technical University of Milan in 1974 just after the graduation from the same university at Chemical Engineering in 1973, later in the same university he joined as Associate Professor of Waste Management Technologies and served from 1984 to 1986. He was the Editor in Chief of Waste Management, International Scientific Journal on waste management edited by Elsevier, Amsterdam from 2009 to 2017. He delivered presentations in over 50 seminars and 100 congresses on waste management and controlled landfills worldwide. Prof. Cossu is author of over 150 Scientific Papers and 5 Books on waste management, printed in leading publishing houses (Academic Press, Elsevier, EF and Spon). He is the founder of SARDINIA Symposium, the leading international conference on landfill and solid waste management occurs once in two years since 1987. In 2017, he was the recipient of the prestigious "A Life for Waste" Award. He encouraged many young researchers to enter in the area of waste management. He was born in 1948.
